To Whom It May Concern

Sub: Letter of Recommendation

We are writing this letter as a recommendation for Revolution Flag Group. I have been very pleased with the results and the professional level of service offered by Revolution Flag. In addition, our cost is much lower now, and so we were able to save some money. We highly recommend them as the source for Flag service.

Regards,

A handwritten signature in dark ink, appearing to be 'James Jackson', written over a large, loopy flourish.

James Jackson
